

Coaching Best Practices

Below is a list of practices I will be implementing while coaching in the current COVID-19 environment.

- Staying up to date on public health guidance and any mandates from local and state governments.
- Avoiding any physical contact during a lesson (including no handshakes) and maintaining the recommended social distancing (six feet, ten if it's windy).
- I will be wearing a mask and you are encouraged to wear one as well.
- Not touching students clubs, carts or bags.
- Not teeing up golf balls. I will be providing groups with colored golf balls for short game practice sessions so everyone knows which ball is theirs.
- Please don't bring food to the lesson but **do** bring your own water.
- I will be sanitizing any alignment sticks and training aids after each student's session.
- Don't risk anyone's health. If you are not feeling well, please reschedule.
